Wit-1: Valdivia, Patricia **F/H** **DOB:**
06/04/91
Wit-2: Parra, Raymond 721 **M/H** **DOB:**
10/16/92

SOURCE OF ACTIVITY: The above officers were working as contracted uniformed Security for Andrews International at the Hollywood and Highland Complex, 6801 Hollywood Blvd, Suite #163, Los Angeles, California, 90028 (323) 468-2270

INVESTIGATION: On Friday June 29, 2012 at approximately 1205 hrs I (Lt. Orellana) while working uniformed Security for Andrews International at the Hollywood and Highland complex. I received a radio call from Security Dispatch (W-1 Valdivia) regarding a Male Black who was previously arrested for trespassing at 6801 Hollywood Blvd on 06/27/12. He was warned not to return to the complex at that time (See Page #). Upon my arrival to the Central Courtyard I noticed the male who identified himself as Raymond Kennedy (Def-Rae, Kennedy) had returned and was now sitting in front of the Guess store. I advised Security Dispatch to notify BID Patrol due to the history of the male being violent towards Security personnel. BID Patrol arrived at the location and met with me. I advised them of the previous arrest for trespassing. BID Patrol, Cpl. Parra (Wit-2), and I approached the suspect and advised him that he was being placed under private persons arrest for trespassing on private property. Suspect asked what he did, I advised him that he was being arrested for trespassing at the Hollywood and Highland complex. He attempted to pull free from me while I was handcuffing him, but with the assistance of the other officers I was able to handcuff the suspect without incident.

ARREST: Suspect was placed under Private Persons Arrest for 602.1 (A) PC (Trespassing).

ADDITIONAL: It should be noted that earlier in the day between the hours of 1030-1130, Mr. Kennedy entered the H&H complex and as Security personnel was approaching him he walked off property. This is the second time Mr. Kennedy has entered the property after being arrested for committing battery on a Security officer at the H&H complex.

PHOTOGRAPH: Attached.
